eurowebplus
Would you like to study in Sweden, Spain or in any other European country? Would you also like to get financial reimbursement for your expenses in connection with your studies abroad? Then you should apply for a study place via EUROWEB+!

If you are from the Western Balkans, you have the opportunity with the Erasmus Mundus EUROWEB+ project to study on a scholarship for one or two semesters of your studies in Innovation, Computer Science or Electrical Engineering at a partner University in Europe.
